Attn: James Barnet, CET

Re: Organic Input Verification Conformity Status

Your Input Substance Approval & Certification Application & Contract, and documents submitted in support of your claim for Input Approval have been evaluated by the Pro-Cert Certification/Evaluation Committee.

We have determined that your products are generally compliant with one or more of the following: Canadian Organic Standard (CAN/CGSB 32.310 and 311) and the USDA National Organic Program (NOP) as specified in the attached Certificate(s) of Input Approval and Approved Input List.

The attached Pro-Cert Certificate(s) of Input Approval are valid for the period **January 14, 2023 to January 13, 2024.**

These certificates will be withdrawn, suspended or revoked if non-conformities are discovered at any future time.

We would like to thank you for your dedication to Pro-Cert and the organic industry. We look forward to working with you through the next year.

Sincerely,

Pro-Cert Organic Systems Ltd.
